A STUDY OF NEW
TESTAMENT CONVERSIONS
Week 7

*“If you think you can’t fall
into sexual sin, then
you’re godlier than
David, stronger than
Samson, and wiser than
Solomon.”*

There are two spiritual brides mentioned in God's word.

**1. The Jewish Nation
(Bride of God)**

**2. The Christian Church
(Bride of Christ)**

Examples of Spiritual Adultery

Jeremiah 9:2

Oh, that I had in the desert a lodging place for travelers, so that I might leave my people and go away from them; for they are all adulterers, a crowd of unfaithful people.

Examples of Spiritual Adultery

Jeremiah 3:20

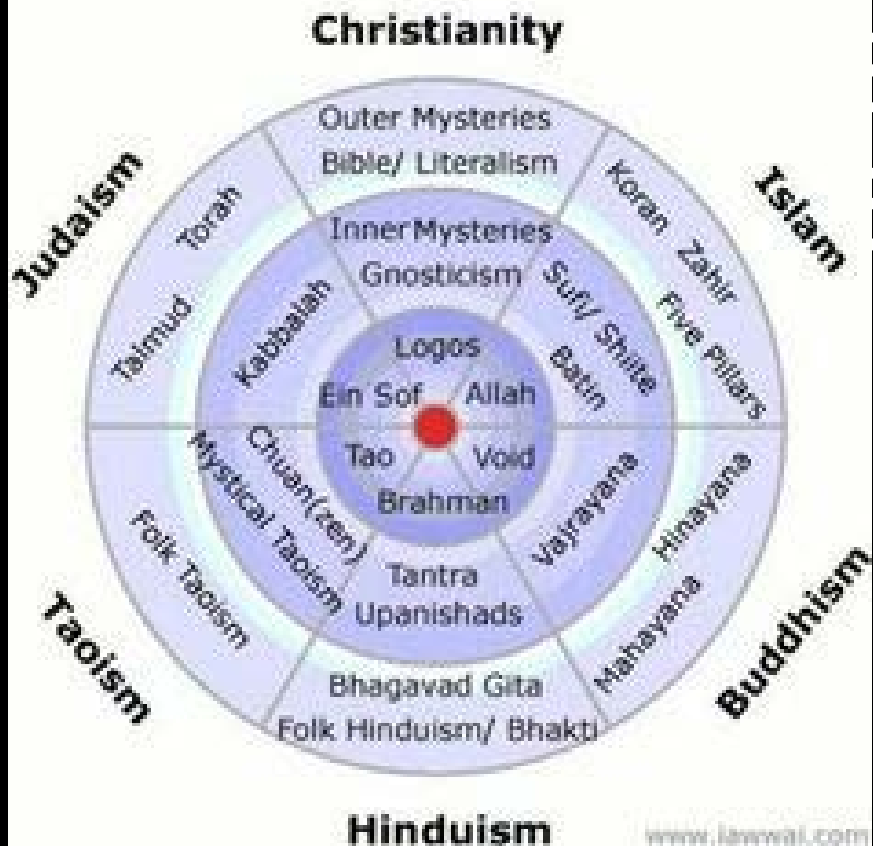

But like a woman unfaithful to her husband, so you, Israel, have been unfaithful to me," declares the LORD.

We all claim to worship the same God, so why don't we fellowship together? ... The only thing that keeps us from fellowshiping together are the church buildings, the organizations.

Living Interfaith Church FAQ's

So what's an Interfaith Church? We look at the universe and our world and say there is no one "right" spiritual answer; that *all* of our spiritual traditions call upon us to love and respect one another. We celebrate our differing spiritual paths.

A Fantastic Change Has Begun in Christianity

The slogan above is displayed on each page of www.churchofinterfaithchristians.org signifying to progressive Christians that they have found a fresh breath of air, and after reading several web pages, Christians that also practice other paths such as Buddhism, Hinduism, Wicca, Paganism, or other Earth based traditions, realize that they have found an inclusive home. Others who may practice only a Christian path, but who are tired of doctrine and dogma that seems to be the anti thesis to the very teachings of Christ also find a spiritual home here as well.

1 Corinthians 6: 9-10

*Or do you not know that the unrighteous will not inherit the kingdom of God? **Do not be deceived;** **neither** ✓ fornicators, ✓ idolaters, nor ✓ adulterers, nor **effeminate**, nor homosexuals, nor thieves, nor the covetous, nor drunkards, nor revilers, nor swindlers, will inherit the kingdom of God.*

One Tremendous Problem In The Transgender Community

Hi, Caitlyn here. This week we're going to talk about a very serious issue in the transgender community.

One tremendous problem, especially for trans youth, is the suicide rate. A recent study of nearly 100 transgender youth, ages 12 to 24, found that 51% reported thinking about suicide, while 30% had attempted it at least once in their lives ([report here](#)). In San Diego

New York (AFP) - Muscular, classically chiseled male models are a dying breed as men are ever more chosen for thinness, even androgyny, in a fashion world playing with the notion of gender.

In a letter addressed to the president, the vice president, and the Speaker of the House by Martin Castro, the chairman of the U.S. Commission on Civil Rights, he wrote, “Religious exemptions to the protections of civil rights based upon classifications such as race, color, national origin, sex, disability status, sexual orientation, and gender identity, when they are permissible, significantly infringe upon these civil rights.”

CNN Celebrates African 'Transgender Hero' Against 'Ignorant Church'

It's not just NBC Out that's pushing the LGBT gospel in network TV-land. CNN is competing in the culture wars as well against "ignorant church" folk. [Thomas Page at CNN.com](#) pushed this article last week: "Tchinda Andrade: Cape Verde's **transgender hero.**" A man is the "mother hen" of the trans community in that African island country:

Dr. Paul McHugh former head of psychiatry at Johns Hopkins University Hospital

"Policymakers and the media are doing no favors either to the public or the transgendered by treating their confusions as a right and need of defending rather than as a mental order that deserves understanding treatment and prevention."

"The transgendered suffer from a disorder of assumption similar to other psychological disorders like anorexia or bulimia. Studies show fundamental problems with the transgendered movement."

"Studies at both Vanderbilt University and London's Portman clinic found that children who felt transgendered yet did not receive medical or surgical treatments, up to 80% of those lost those feelings as they matured.

"We found that long-term studies have revealed that there is no better psychological help in those who received sexual reassignment surgery than those who did not." He said, "We've studied it long-term, we're not helping these people at all."

*Years after they've changed their
genitals to look more like the
opposite sex than their birth
gender, they are no happier.
They have just mutilated their
bodies. So Dr. McHugh states,
"That's why today Johns
Hopkins now refuses to perform
sexual reassignment surgery."*
